

Return to school protocol ISD Secondary

General guideline:

- **All students are expected in school.** There may be an exception for students with health concerns. These students stay home and follow online lessons. This requires a **hybrid form of teaching**: while teaching the students in school, there will be some students following the same lesson from home.
- **All lessons**, whether attended physically or online **are compulsory** and attendance is recorded
- **Everyone (students included)** keeps **1.5 meters distance** from each other
- **Face masks are obliged** for everyone at **all times**, except when sitting behind your desk
- **We limit all movements within the school**: students stay at their assigned seat where possible and have lunch at their table in the classroom. Therefore, we don't allow the use of the kitchen or lockers. Students are asked to bring all their belongings into the classroom.
- Each class will have a 'home' classroom – the subject teachers rotate
- There are fixed walking routes in the school and separate entrance / exit routes to the school per class
- After school clubs will continue online (from home) until further notice
- All students go home directly when school is out

Health guidelines and hygiene and safety measures

Health guidelines

- When a student shows mild symptoms: stay home and follow the lessons online and get tested.
- A decision tree that helps you determine when to stay home or when to get tested can be found [here](#).

General Hygiene and safety measures

- Everyone in school washes their hands multiple times a day for at least 20 seconds
- We clean our school areas, surfaces and materials regularly + intensive daily cleaning (according to cleaning contract)

- Students clean their tables before and after their lessons, we make sure to assign time for this at the beginning and the end of the lesson
- We have enough hygienic materials (paper towels, soaps) in place and available for students and staff
- We cough and sneeze in our elbow
- We try not to touch our faces
- We ventilate regularly and check the CO2 meter.

Home classrooms and entrance doors per class

MYP 1A:

Entrance: Emergency door at the playground next to the bike stand

Home Classroom: A2

MYP 1B:

Entrance: Main entrance at Colijnlaan

Home Classroom: B3
