

STANDARD TERMS AND CONDITIONS FOR STUDENTS STUDYING AT ISD

ACADEMIC YEAR 2022-2023

Re-registration

It is important that parents/guardians of students studying at International School Delft agree with the Standard Terms and Conditions, including the financial obligations. This is done by re-registration.

Although ISD Primary and Secondary operate as one school, according to Dutch legislation, they are two separate schools.

Students at the primary school follow the IB PYP curriculum.

In 2022-2023, the secondary school, MYP years 1, 2, 3, 4 and 5 will accept students who will be able to follow the IB MYP curriculum as determined by reports.

The Online Admissions System OpenApply

All parents/guardians who wish for their child to continue to study at ISD for the year 2022-2023 should re-register their child(ren). Through Admissions, parents/guardians will receive an email with a link from OpenApply. By clicking this link, parents/guardians will be taken to a page that allows them to click 'yes', 'no' or 'unsure' (must provide a reason for being unsure).

School Fees: General Information

The school fees are established annually for the following academic year, taking into account, among other considerations, indexation/inflation.

In addition, the school reserves the right to further adjust the school fees in order to accommodate changes, such as state funding towards school fees, any increases in external examination fees, extension of facilities and programmes offered.

Confidential Information and Data Privacy

The school complies with the Dutch legislation on privacy, but it is the school's practice to show photographs and video footage of school activities and events on its website, in various school publications and on social media. The school may also include them in press releases and advertising.

To give permission to use images for this purpose, you will be asked to sign a photo release form. Permission can be withdrawn in writing at any time, but not retrospectively.

Parents accept that it is the school's legal duty to provide data requested by the Government and official other authorities. However, this information will be limited to what is necessary to fulfil the legal requirements.

Invoicing and Payment

For the school fees and additional fees, the school sends invoices to all parents /guardians via email through the invoicing system, WisCollect. The invoices may be downloaded and the status of the amounts charged may be viewed online by the parents/guardians through the link which they receive. Payment can be made online via iDeal (preferred) or by bank transfer to the bank account on the invoice.

Instalment Option

For the school fees only, there is the possibility for payment by instalments. The number of instalments depends on when the student joins the school, but the maximum number of instalments is 8. The condition for payment by instalments is that the payments are made on the due dates in accordance with the payment schedule provided by the school and WisCollect. For those parents paying in instalments, the fees should be fully paid by 28 February 2023. Any request for payment by instalments should be sent to finance@internationalschooldelft.org. Parents will receive a confirmation with a payment plan.
