About International School Delft

International School Delft is a young and dynamic state-subsidised international school serving the community in the Delft/The Hague region. The Primary school was successfully established in 2014 and is conveniently located on the Technical University campus in Delft. Following a growing demand for international secondary education, our Secondary school was launched in 2019. With this extension, International School Delft has entered a new phase in its journey to become a leading – 4 to 18 year – International Baccalaureate world school, in the vibrant western part of the Netherlands. Located in Delft, the school has a partnership with the TU and fosters a strong commitment to design and technology in the curriculum. This focus on technology and design will be reflected in the state-of-the-art, purpose-built school building that will be realised in the coming years.

We offer our staff the opportunity to shape the school into becoming one of a few IB World schools in the Netherlands to offer the full range of IB programmes. International School Delft provides its staff with excellent opportunities for professional career development. We are committed to investing in the development of our staff through continuous schooling and training.

As a successful applicant, you will be welcomed by an enthusiastic, sociable and thoroughly international team.
