

'Inspiring learning for a sustainable future'

International School Delft Secondary – IB MYP / DP Math teacher – *min 1FTE, possibly 2 teachers*

Start date 1 August 2024

Join us at International School Delft Secondary as a Math teacher and become a catalyst for student success. If you are passionate about teaching and learning in an IB (International Baccalaureate) world school, and believe in inspiring students to become knowledgeable risk-takers, open-minded inquirers, and caring members of society, we are looking forward to meeting you!

International School Delft secondary offers the full IB Middle Years programme and the IB Diploma Programme. As a math teacher for both the MYP (Middle Years Programme) and DP (Diploma Programme), you will have the opportunity to make a lasting impact on students' academic lives and contribute to their future.

We are searching for a teacher who brings a wealth of experience, enthusiasm, and passion for teaching. You have:

- experience or knowledge of teaching the IB program, specifically the Middle Years Programme and/or the Diploma Programme, or a willingness to develop your skills
- experience or a willingness to develop your skills in inquiry-based learning
- A willingness to participate in the school community and to engage in the extra-curricular life at school.
- Please [read our full staff profile](#) to see if there is a match

At International School Delft, we are committed to investing in the professional development of our staff and offer excellent opportunities for growth and training. As a successful applicant, you will be welcomed by an enthusiastic, sociable, and thoroughly international team.

Join us and become a part of shaping our young and dynamic international school, into an excellent IB World School in the Netherlands!

Submit your letter of interest, curriculum vitae, and names and contact information for three referees **before 26 april 2024** to recruitment@internationalschooldelft.org. All applicants must be EU citizens or have a valid permit to work in The Netherlands and all applications should be written in English.
